Phila 10mo 21. 1839

Esteemed Friend

I have just received thy letter and shall hand it to J. G. W. who will superintend the getting up of the volume. If all the pieces sent us are as short as thine, it will be a thin volume. I hope thee will send us a 2nd. Piece – and a long one.

In haste

To M. W. Chapman

Benj. S. Jones.
